

Limited Edit Window for CAT 2025 Application Form Now Open

The application form submission for CAT 2025 has officially closed. However, a limited edit window has been made available to allow candidates to make corrections to specific sections of their submitted application forms. This edit window is open until **October 7, 2025, at 5:00 PM**.

Candidates who have successfully registered for CAT 2025 and paid the required registration fee are eligible to make changes in the following fields:

- Selection of IIM Guwahati and its programme
- Photograph
- Signature
- Test City Preferences

It is essential that candidates carefully review their application and make any necessary updates within the provided timeframe. **No further extensions will be granted** beyond the deadline.
